

NHS Manchester – Flowchart for Triage: Swine Flu Patients (as at 11th February 2010)

Practice receives a call from a patient with suspected swine flu

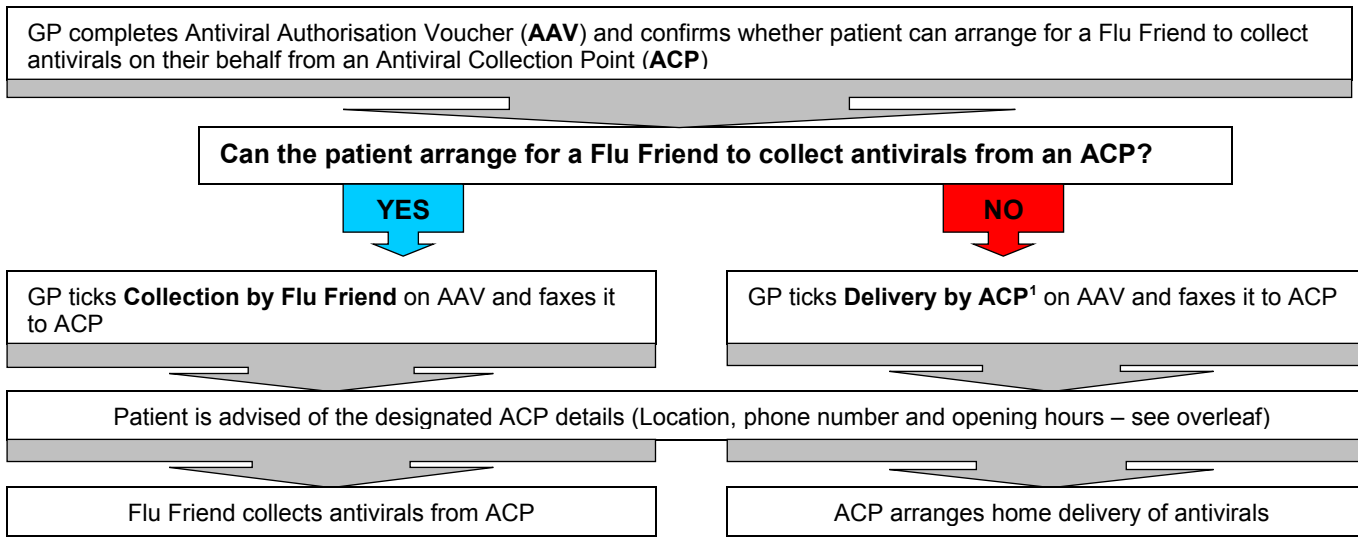

Step 1: Emergency Assessment

Step 2: GP Assessment

Step 3: Antiviral Authorisation and Access

OUT OF HOURS: Patients seeking access to antivirals outside of practice hours will be assessed by Go To Doc. ACP opening hours extend beyond normal practice hours (see overleaf).

¹**HOME DELIVERY** is a limited service and reliance upon it may delay access to antivirals. Patients should therefore be encouraged to identify a Flu Friend to collect from an ACP.

Community Pharmacies in Manchester acting as Antiviral Collection Points (ACPs)
